CAREER OBJECTIVE

To obtain an entry level position where I can apply my skills, enhance my knowledge, and contribute to the success of the organisation while growing personally and professionally. To secure a responsible position in a reputable organisation where I can use my academic knowledge of business, develop practical skills, and contribute meaningfully to team success.

EDUCATION

- | | |
|---|---|
| • TKR College of Engineering and Technology
<i>Bachelor of Technology - Electronics and Communication Engineering; GPA: 8.0</i> | Hyderabad, India
Nov 2022 - May 2026 |
| • Gouthami junior college
<i>Intermediate-MPC:CGPA:7.09</i> | Nalgonda, India
June 2020 - July 2022 |
| • NEWS high school
<i>SSC:CGPA:10</i> | Nalgonda, India
June 2019 - April 2020 |

SKILLS SUMMARY

- **Languages:** Python, JAVA
- **Soft Skills:** Leadership, Event Management, Public Speaking, Time Management
- **Databases:** SQL

PROJECTS

- **Auto Intensity Control Of Street Lights using Arduino:** The goal is to create energy-saving streetlights & When there is no movement on the road, it will become dim. The lights will turn when the vehicle is detected, saving power consumption. Implemented on standard street lights. Arduino micro controller, cameras and sensors. These devices can detect movement and enable dynamic lighting and dimming (July 2024)
- **Automatic plant Irrigation system with Dry/Wet soil sense:** An Automated plant irrigation system utilizes soil moisture sensors to determine if watering is needed and then automatically adjusts the water levels in the field using a water pump. Maintain optimal soil moisture levels for plant health by automating the watering process based on real-time soil conditions. Reducing human intervention and Water waste. Arduino Micro controller, Pump, Electrodes, Step down Transformer. (May 2025)

CERTIFICATES

- IBM Skill Build Certification-Training
- Drone Technology Workshop by EPIT Research labs PVT.LTD.
- Data Fundamentals: verified certification from IBM skillsBuild

EXPERIENCE

- | | |
|--|--|
| • CENTIFIC
<i>Offline technical & soft-skills Internship at Centific</i> | Hyderabad, India
April 2025 - June 2025 |
|--|--|
