

PINNAPUREDDY NITHIN REDDY

(+91) 7386100970 | nithinreddypinnapureddy@gmail.com | Hyderabad, Telangana.

OBJECTIVE

Motivated Computer Science student with a solid foundation in Java, object-oriented programming, data structures, and algorithms. Experienced in building software solutions through internships and personal projects. Proficient in backend development, with additional skills in SQL, debugging. Eager to contribute to scalable and efficient Java-based applications.

EDUCATION

Bachelor of Technology-Computer Science and Engineering (Data Science)	2021-2025
Marri Laxman Reddy Institute of Technology and Management.	CGPA: 8.1
Intermediate	2019-2021
Excel Jr College	94.8%
Class X	2018-2019
Ekalavya High School	CGPA:9.5

EXPERIENCE

Currently working as an AI/ML Data Annotation & Search Evaluation Intern at **Centific**, where I have contributed to two key projects aimed at improving AI systems. In the first project, I evaluated the quality of video-caption pairs by watching short videos and rating captions as good, acceptable, or bad based on relevance and accuracy. In the second project, I assessed the relevance and intent match of search engine results to help enhance algorithm performance.

PROJECTS

Telegram Bot	01/24 - 3/24
• Developed a Telegram bot using Selenium for web scraping, fetching attendance and CGPA data from the college website.	
Attendance Management System	08/23 - 10/23
• Developed an attendance Management System using python which has automatic roll call and Face recognition.	

CERTIFICATIONS AND HONORS

- Certified from Smart Interviews in Data Structures and Algorithms
- Solved over three hundred problems on Code Chef with highest rating 1477 and Rated 2*.
- Certified in CCNA course by CISCO.

TECHNICAL SKILLS

Programming Languages	Java, Python,R
Front end/Databases	MySQL
Other	Data Structures and Algorithms

POSTION OF RESPONSIBILITY

Programming Head	02/2024
Planned and conducted competitive coding contests for about 350 students in Tech Fest Valorous 2024 in MLRITM.
